

RITE NOW @ ROP

Uta Halee Academy spent their summer break enjoying Summer Games, Homecoming, and engaging with College and Career speakers! UHA had representatives from local 4-year colleges, community colleges, and Capitol School for Hair Design! In addition, UHA was lucky enough to have an Electrical Engineer, Firefighter, Army, and Air Force representatives talk to our students.

For community connections, Planned Parenthood discussed women's health, and Omaha Fencing Club introduced them to the sport of fencing! Nebraska Urban Indian Health Coalition spent time with students discussing culture and human trafficking.

In addition to all of the guest speakers, UHA Staff and Students were able to participate in a week-long Homecoming event that consisted of a variety of games and a theme for each day. Themes included Tye-Dye, Hawaiian, Crazy Hair Day, and Superhero day. Some of the students' favorite activities to participate in included volleyball, Human Jenga, and the Scavenger Hunt. The winning cottage was able to earn a Pizza Party!

UHA had an amazing week filled with community connections, activity, and spirit!
